Public Information Gathering Session on the Regulatory Framework for Data Centers, Battery Storage Facilities, and Solar Farms

The Putnam County Board of Commissioners is inviting citizens interested in providing input into the development of the regulatory framework that will apply to data centers, battery storage centers, and solar farms to a modified Town Hall type forum where an exchange of information, potentially a short presentation, and ample opportunity for citizens to provide their thoughts and constructive input on what specific regulations should be included in the County's Code for these facilities.

The information gathering and input session will be held on Thursday, August 27, 2026, beginning at 6:00 p.m. and will be held in the Commission Meeting Room located at 117 Putnam Drive, Room 203, Eatonton, Georgia.

The Board of Commissioners reserves the right to continue the meeting to another time and place in the event the number of people in attendance at the meeting, including the Board of Commissioners, staff, and members of the public exceeds the legal limits. The meeting cannot be closed to the public except by a majority vote of a quorum present for the meeting. The board can vote to go into an executive session on a legally exempt matter during a public meeting even if not advertised or listed on the agenda. Individuals with disabilities who require certain accommodations in order to allow them to observe and/or participate in this meeting, or who have questions regarding the accessibility of the meeting or the facilities are required to contact the ADA Compliance Officer, at least three business days in advance of the meeting at 706-485-2776 to allow the County to make reasonable accommodations for those persons.
